# SECTION I: FUND PROJECTIONS

## RATE ASSUMPTIONS

Each fund projection utilizes assumed rates of change for revenue and expense categories. Those assumed rates are based on historical trends and current expectations. Assumed rates are listed next to each category. When no assumed rate is listed, the category is projected based on other information, such as planned rate increases or capital projects.

## GENERAL FUND

The General Fund accounts for the majority of Village revenues and the operating expenses for the Administration & Finance, Police, Fire, Public Works and Building departments. The Administration & Finance and Public Works departments are also partly allocated to the Water and Sewer Funds.

### Revenue

	Actual FY 2016/17	Actual FY 2017/18	Actual FY 2018/19	Actual FY 2019/20	Actual FY 2020/21	Projected FY 2021/22
Property Tax	\$ 3,468,886	\$ 3,393,570	\$ 3,560,821	\$ 3,625,576	\$ 3,636,397	\$ 3,800,000
Other Local Taxes	1,175,981	1,189,358	1,190,712	1,111,665	1,092,762	1,116,191
Sales Tax	490,860	521,219	572,364	593,139	745,020	850,000
State Income Tax (LGDF)	1,280,334	1,235,608	1,404,819	1,335,969	1,648,250	1,827,000
Other Intergovernmental	397,410	411,864	467,822	588,581	1,040,076	663,575
Licenses	322,448	329,204	323,116	313,884	308,868	330,850
Permits	434,334	406,484	350,850	253,057	332,327	446,000
Charge For Services	696,123	763,991	879,928	852,836	819,247	877,100

Miscellaneous Revenues	278,231	132,238	305,668	342,869	169,136	41,800
<b>Total</b>	<b>\$ 8,739,589</b>	<b>\$ 8,574,568</b>	<b>\$ 9,217,466</b>	<b>\$ 9,183,918</b>	<b>\$ 9,955,171</b>	<b>\$ 10,097,016</b>

	Actual FY 2016/17	Actual FY 2017/18	Actual FY 2018/19	Actual FY 2019/20	Actual FY 2020/21	Projected FY 2021/22
Property Tax	39.7%	39.6%	38.6%	39.5%	36.5%	37.6%
Other Local Taxes	13.5%	13.9%	12.9%	12.1%	11.0%	11.1%
Sales Tax	5.6%	6.1%	6.2%	6.5%	7.5%	8.4%
State Income Tax (LGDF)	14.6%	14.4%	15.2%	14.5%	16.6%	18.1%
Other Intergovernmental	4.5%	4.8%	5.1%	6.4%	10.4%	6.6%
Licenses	3.7%	3.8%	3.5%	3.4%	3.1%	3.3%
Permits	5.0%	4.7%	3.8%	2.8%	3.3%	4.4%
Charge For Services	8.0%	8.9%	9.5%	9.3%	8.2%	8.7%
Fines & Forfeitures	2.2%	2.2%	1.8%	1.8%	1.6%	1.4%
Miscellaneous Revenues	3.2%	1.5%	3.3%	3.7%	1.7%	0.4%
<b>Total</b>	<b>100.0%</b>	<b>100.0%</b>	<b>100.0%</b>	<b>100.0%</b>	<b>100.0%</b>	<b>100.0%</b>

The tables show a consistent reliance on property taxes. Another clear trend is the decline in other local taxes. Local taxes include the telecommunication tax, which has decreased significantly as internet services have replaced traditional telecom. Sales and income taxes have increased in the last two years, while fines have decreased during the pandemic. The decline in miscellaneous revenues includes the decrease in interest revenue as interest rates were near zero due to the pandemic.

## Expenditures

	Actual FY 2016/17	Actual FY 2017/18	Actual FY 2018/19	Actual FY 2019/20	Actual FY 2020/21	Projected FY 2021/22
Salaries & Wages	\$ 4,007,858	\$ 3,977,323	\$ 4,116,613	\$ 4,161,562	\$ 4,187,163	\$ 4,446,595

On the expenditure side, the Village's largest costs are personnel related. With each new fiscal year, the Village implements a revision to the pay plan that adjusts the starting and maximum rates for each position. This approval also applies a cost of living adjustment (COLA) to employee wages.

### WATER FUND

The Water Fund is an enterprise fund that accounts for the operation and maintenance of the Village's water system. The Village purchases its Lake Michigan water from the Brookfield North Riverside Water Commission (BNRWC).

In 2017, the Village engaged the services of a consulting firm to complete a full analysis of the Village's water and sewer rates and its systems' capital needs. The purpose of the Rate Study was to provide alternatives for utility rates to pay for operating, debt service and capital improvement expenses. A review of the Village's records over the past five years shows a declining trend in water usage which is typical for water utilities in the Chicagoland area. This decline results in less funding to maintain the system. During this same period, the Village has seen a significant increase in the cost of purchasing water from the BNRWC. This increase is, in large part, due to the increased cost of water supplied to the BNRWC by the City of Chicago. From 2012 to 2015, the City of Chicago raised wholesale water rates by 90% and these costs have been passed on to the Village.

The Village also has aging infrastructure. The Rate Study reported that the water main break rate for the Village was more than twice the industry standard. This high rate is attributable to the age of the system and indicates that much of the system is reaching the end of its useful life. The Rate Study demonstrates that a planned series of rate increases for both water and sewer is necessary to maintain well-functioning, reliable water and sewer systems.

As part of the Rate Study, the Village evaluated four alternatives and preferred the option which maintains current water and sewer infrastructure on a "pay as you go" basis. This option was

preferred because it avoids increasing the Village's debt and the associated borrowing costs while maintaining a consistent infrastructure replacement schedule. It also allows the Village to reserve debt capacity for potential large water or sewer related projects in the future.

The Rate Study recommended a series of water and sewer rate increases beginning in FY18/19 in order to provide sufficient funding for a sustainable infrastructure replacement plan. The Village Board has maintained rates at the FY19/20 due to the impact of the Covid-19 pandemic. Due to an increase in water usage during the pandemic and favorable pricing on recent projects, water rates are not proposed to increase at the levels anticipated by the rate plan for the near term.

***Looking Ahead: Lead and Copper Rule Revisions (LCRR)***

Effective January 2022, new regulations set forth by the US and Illinois Environmental Protection Agencies will require water purveyors to take action on mitigating lead exposure in our water system. Several essential items that will affect the Village include more rigorous lead water sampling requirements, including schools and daycare facilities, water service material inspections (every service), and lead service line replacements. In the upcoming fiscal year, the Village will prepare a plan on moving forward and begin budgeting funds in outlying years to put the plan in motion.

**SEWER FUND**

The Sewer Fund accounts for the operation and maintenance of the Village's combined sanitary and storm water sewer system. This is an enterprise fund supported by the revenues derived from sewer fees charged to system customers.

The Sewer Fund also provides for the annual debt payment for bonds issued in 2006 for \$5.6 million in sewer improvements. This bond was refunded (refinanced) in November 2014 in the amount of \$3.5 million to take advantage of lower interest rates. As a result, the remaining annual payments have been reduced from approximately \$426,000 to \$390,000.

Consistent with the Water Fund, due to an increase in water usage during the pandemic and favorable pricing on recent projects, sewer rates are not proposed to increase at the levels anticipated by the rate plan for the near term.

***Looking Ahead: Central Area Storm Sewer Separation Project***

Over the last several years, the combined sewer system has become more prone to frequent and significant rain events, resulting in widespread flooding in our community. The center area of the Village, which has no outlet to convey storm flows directly to the Salt Creek, has proven challenging due to the long distance. In 2021, Hancock Engineering began working on the design engineering for the storm sewer separation program for the central area. \$10.5 million is included for construction in FY 23/24. Funding for the project is planned to include grants, a transfer of General Fund cash reserves and IEPA loan or bond proceeds.

**MOTOR FUEL TAX FUND**

The Village utilizes a separate fund to account for motor fuel taxes distributed by the State of Illinois. The amounts are distributed to the Village on a per capita basis. The use of motor fuel tax money is restricted by state law to the maintenance and repair of local streets and sidewalks.

The MFT Fund is expected to continue providing funding for road salt and other road-related maintenance costs, while the Rebuild Illinois grant funding allows for additional street improvement

projects. A recently completed pavement condition index study will guide the best use of available funds.

### **ARPA FUND**

The Coronavirus State and Local Fiscal Recovery Funds (SLFRF), a part of the American Rescue Plan Act (ARPA), provides \$350 billion to governments across the country to support the response to and recovery from the COVID-19 public health emergency. The Village is projected to receive approximately \$1.79 million in ARPA funding.

The Five Year Plan anticipates that the Village will utilize the full balance of the ARPA funding over three fiscal years. The Treasury Department released its Final Rule in January 2022 that permits local governments to elect a standard allowance of up to \$10 million in revenue loss and apply the ARPA funding to government services, such as public safety costs. This will allow the Village to apply other resources towards purposes such as infrastructure projects, including the planned Central Area Storm Water project.

### **DEBT SERVICE FUND**

The Debt Service Fund accounts for the principal and interest payments on general obligation bonds issued by the Village for governmental type activities such as roads and public safety. Bonds issued for water and sewer purposes are accounted for directly in those enterprise type funds.

The Village currently has two outstanding bond issues. The 2014 bonds refunded the 2006 bonds issued for sewer infrastructure projects and is accounted for directly in the Sewer Fund. The 2016 bonds were issued following a referendum for \$10 million in road projects and \$1.2 million in fire equipment. The 2016 bonds are paid with property tax collected over a ten-year period beginning with the 2016 levy.

### **CAPITAL PROJECTS FUND**

The Capital Projects Fund accounts for most capital purchases over \$10,000, other than water and sewer projects. The Fund receives most of its funding in the form of a transfer from the General Fund. For Year FY 22/23, a \$1,000,000 transfer is proposed. Budgeted expenditures include the purchase of a new fire engine and SCBA gear.

### ***Mandate: New to the Five Year Plan - Officer Worn Body Cameras***

In February 2021, the Governor signed criminal justice reform legislation, P.A. 101-0652, into law. The provisions of this new law contain sweeping changes to the Illinois criminal justice system that will have a measurable impact on municipal operations, law enforcement and the public. One significant provision of the new law is the requirement for all law enforcement agencies to employ the use of officer-worn body cameras. Implementation must occur by January 1, 2025 for municipalities with populations of less than 50,000. The Police Department plans to implement the program in FY 23/24 (Year 2) with a first year cost estimate at \$35,000. In speaking with municipalities that have already implemented these programs, estimates are \$500-\$700 per officer, per year and may be budgeted as an operational or capital expense, or both, depending on whether the department purchases or leases the equipment.

### **EMERGENCY TELEPHONE FUND**

The Emergency Telephone System Fund (ETSF) was established to account for the proceeds of the telephone 9-1-1 surcharge. The purpose of the fund is to provide the resources necessary to maintain the Village's 9-1-1 emergency communications system and equipment. In 2015, the Village entered

into an intergovernmental agreement with the Villages of La Grange and Western Springs to consolidate 9-1-1 services and created the Lyons Township Area Communications Center (LTACC). The intergovernmental agreement creating LTACC dissolved the Villages' ETSB and created a joint ETSB to oversee LTACC's 9-1-1 expenses. LTACC began operations in March 2017 and all 9-1-1 surcharge funds are now provided directly to LTACC by the state. As a result, this fund is now closed.

#### **RISK MANAGEMENT FUND**

The purpose of the fund is to account for the cost of the Village's risk management activities and to provide a dedicated reserve balance to pay deductibles and other expenses associated with claims against the Village. The Risk Management Fund is financed from interfund transfers from the General, Water, and Sewer Funds based on revenues and claims experience.

The Village is a member of the Intergovernmental Risk Management Agency (IRMA), a risk pool composed of local governments across northeastern Illinois. The Village pays an annual contribution to IRMA for a variety of coverages including general liability and worker's compensation. This contribution has trended down in recent years due to focused efforts by the Village to limit risk exposure such as ongoing employee safety training and department participation on IRMA committees.

#### **ROAD BONDS FUND**

The Road Bond Fund was established to budget and track road projects financed with the proceeds from a \$10 million bond issuance approved by referendum in March 2016.

#### **FIRE EQUIPMENT BOND FUND**

The Fire Equipment Bond Fund was established to budget and track the purchase of vehicles and equipment financed with the proceeds from a \$1.2 million bond issuance approved by referendum in March 2016.

#### **VILLAGE MARKET TAX INCREMENT FINANCING FUND**

The Village Market Tax Increment Financing Fund (TIF) was established to account for the revenues and project costs within the Village Market TIF District. The boundary of the Village Market TIF is generally defined to include the Village Market shopping center located east of La Grange Road between Oak Avenue and Brewster Lane, Memorial Park and the Homestead Apartment complex located east of the shopping center. The property consists of 26 tax parcels and 26 buildings on approximately 47 acres of land. Approximately 37 acres of the land is currently improved. Current uses within the TIF District include retail, restaurant, medical, services, open space, and multi-family residential. The lifespan of the TIF is 2017 thru 2040. The Village plans to complete a comprehensive streetscape study for the district in FY 22/23. The Five Year Plan also includes funds for implementing the planned improvements.

#### ***Looking Ahead - The Village Market Streetscape Improvement Plan***

The Village will be developing a Streetscape Improvement Plan in FY 22/23. This plan will present a vision and recommendations for public improvements that establish a safer, more inviting environment along La Grange Road and throughout the Village Market. Specifically, the plan will be organized around the following key objectives: 1. Create a sense of place; 2. Promote accessibility; 3. Enhance mobility and safety; 4. Reinforce environmental sustainability; 5. Engage the community and key stakeholders; and 6. Provide a roadmap for implementation and funding. As part of the planning process, the Village will prioritize the streetscape recommendations, identify clear implementation steps, and incorporate specific projects into future budgets and the Five Year Plan.

### **31<sup>ST</sup> / BARNSDALE TAX INCREMENT FINANCING FUND**

The 31<sup>st</sup> / Barnsdale Tax Increment Financing Fund (TIF) was established to account for the revenues and project costs within the 31st / Barnsdale TIF District. The 31st Street/Barnsdale TIF District generally runs east along 31st Street from Homestead Road on the west to Blanchan Avenue on the east and along Homestead Road and Barnsdale Road, from East 31st Street on the south to just north of East 26th Street. The area consists of 94 tax parcels and 67 buildings, totaling 163 PINs. Four parcels are comprised of Indian Harbor Belt Railroad Right of Way. Approximately 56 acres of land are included of which approximately 40 acres are improved and 5 acres are vacant. The remaining acreage is rights-of-way. Current uses in the District include commercial, industrial, recreational, open space, and multi-family residential. The lifespan of the TIF is 2017 thru 2040. The Village plans to complete a comprehensive streetscape study for the district in FY 23/24.

### **BUSINESS DISTRICT FUNDS**

Business Districts are a public financing tool used to promote redevelopment and reinvestment in public infrastructure, and fund other community-improvement projects. The business district allows the Village to implement an additional sales tax of up to 1% on retail goods within the district boundaries for up to 23 years. Certain sales are exempt, such as drugs, medicines, and food.

- **VILLAGE MARKET BUSINESS DISTRICT FUND**

The Village Market Business District Fund was established to account for the revenues and project costs within the Village Market Business District.

- **31<sup>ST</sup> / NORTH LA GRANGE BUSINESS DISTRICT FUND**

The 31<sup>st</sup> / North La Grange Business District Fund was established to account for the revenues and project costs within the 31<sup>st</sup> / North La Grange Business District.

- **31<sup>ST</sup> / MAPLE BUSINESS DISTRICT FUND**

The 31<sup>st</sup> / Maple Business District Fund was established to account for the revenues and project costs within the 31<sup>st</sup> / Maple Business District.

- **31<sup>ST</sup> / BARNSDALE BUSINESS DISTRICT FUND**

The 31<sup>st</sup> / Barnsdale District Fund was established to account for the revenues and project costs within the 31<sup>st</sup> / Barnsdale Business District.

## SECTION II: CAPITAL EXPENDITURES

Section II includes schedules listing the proposed capital expenditures for the next five years by category and by fund. Some of the larger or more significant projects planned for each year are highlighted below.

### HIGHLIGHTS

#### **Year 1 – FY 2022/23**

- 26<sup>th</sup> Street Resurfacing
- Village Market Streetscape
- New Police Investigations Vehicle
- Police Camera Systems
- Fire Pumper Truck Replacement
- Fire SCBA Replacement
- Village Hall Improvements

#### **Year 2 – FY 2023/24**

- Park Road Water Main Replacement (Ogden to Harding)
- Central Storm Sewer Project
- Police Body Cameras
- Public Works Director and Mechanic Trucks
- Public Works Skid Steer Replacement

#### **Year 3 – FY 2024/25**

- Robinhood Lane Water Main Replacement (31<sup>st</sup> to 26<sup>th</sup>)
- Police Office Improvements
- Fire Air Compressor Replacement

#### **Year 4 – FY 2025/26**

- 31<sup>st</sup> Street Water Main Replacement (Barnsdale to Kemman)
- Fire Monitor-Defibrillator Replacement
- Public Works Dump Truck Replacement

#### **Year 5 – FY 2026/27**

- 29<sup>th</sup> Street Water Main Replacement (La Grange Road to Woodside)
- Homestead Road Water Main Replacement (700-800 blocks)
- Ambulance Replacement
- Public Works Dump Trucks Replacement
