## **Meeting Summary**

The Historical Committee met on November 18<sup>nd</sup> in the Village Hall Board Room at 11am. In attendance were Juanita, Dorren, Karen, Kyle, and Deanne. Below is a summary of the discussion they had.

The group decided that they would like to proceed with either a tile/mosaic project or a mural at the amphitheater at Memorial Park, depending on the cost. Since the cost will depend on the design, the group decided that the next step should be to contact local artists to see what designs they could come up with. The group decided to reach out to two local artists to see if they would be willing to help or have recommendations for artists that may want to undertake a project like this. If they had no recommendations, the group will reach out to the local art teachers in the district, to see if they have any contacts and lastly advertise a request for proposals.

The group decided that the next Art meeting will be Wednesday, November 30<sup>th</sup> at 9am.
