Meeting Summary

The Birthday Committee met on November 2nd in the Village Hall Conference Room. In attendance were Aleks, Ashley, Jackie, Deanne, Rose, Ron, Chris, Sandy, and Deanne. Below is a summary of the discussion they had.

- The Park District will be interviewing bands in the next few weeks for their concert series and for the Birthday Party Celebration
- The group came up with a rough budget of 6k to 10K; which includes the bands, Ms. Angie, a beer truck, activities (may have to revise this lower)
- There will be a bags tournament, with a fee, maybe \$5. Would like to give either trophies or some sort of prize to winner. Thinking about announcing winner around 5pm.
- Park District might give an instructional on bocce ball
- The stage will have a constant presence, ranging from Miss Angie, a magician, theater group, and a dj
- Deanne needs to contact St. Louise to make sure Summerfest isn't occurring
- Review possible inflatable activities. The group was to look into this further on their own.

The next birthday meeting will be Wednesday, December 14th at 2pm.
