# Village Board Meeting Fire Department Activity Memo

To: Julia Cedillo, Village Manager

From: Dean J. Maggos, Director of Fire & Building 

Date: February 18, 2014

Re: Fire Department Activities – JANUARY 2014

---

As requested for insertion into the Village Board meeting agenda packet, the following is a brief summary of Fire Department activity highlights for the month of January. As usual, a more comprehensive monthly report is kept within the department for your review.

There were 143 EMS responses this month, compared to 155 in January of 2013.

There were 80 fire/rescue incidents this month, compared to 45 in January of 2013. *This increase is attributed to some incident logging for weather related stand-by and incidents.*

Due to the extreme weather and low temperatures during the month, both fire stations were staffed on various occasions by paid-on-call personnel to ensure an adequate and timely response.

On January 25<sup>th</sup> and 26<sup>th</sup>, our department hosted the course, "Senior Officer Development for the Twenty-First Century", which was presented by the Illinois Fire Chiefs Foundation and Office of the State Fire Marshal.

Plans were reviewed by Fire Prevention staff for three new fire alarm systems; and pressure testing was conducted on two new fire sprinkler systems.

The Fire Department responded to four Carbon Monoxide incidents during the month where alarms activated and elevated levels of carbon monoxide were found in the homes.

01/21 (TUE) 6:45 PM: Responded to assist the Cicero Fire Department with an engine company for the MABAS alarm for multiple buildings on fire in the 1800 block of 54<sup>th</sup> Avenue. Our engine 1222 led out about 800' of hose and pumped water about a block and a half to a ladder truck for several hours throughout the night. Because of the low temperatures, we had to transport our frozen hose and equipment back from Cicero to the station in the bed of a pick-up truck and allow it to thaw until morning.
