

SEWER BACKUP PREVENTION PROGRAM

The Village of La Grange Park is pleased to announce a program to assist single-family homeowners with the cost of *plumbing improvements to address sanitary sewer related backups*.

The program is being administered on a “first come – first served” basis, and will provide 50% reimbursement of eligible sewer related costs, subject to a maximum reimbursement of \$3,000 for backflow devices or \$5,000 for overhead sewers.

The goal of the program is to encourage homeowners to improve their quality of life and enhance property values through the reduction of sanitary sewer backups. To accomplish this goal, \$50,000 has been budgeted for the period of May 1, 2015 through April 30, 2016.

ELIGIBLE PROGRAM REIMBURSEMENTS

This program only applies to owner occupied single-family homes.

ALL WORK MUST BE DONE BY A LICENSED PLUMBER.

In an effort to provide funding to as many residents as possible, strict guidelines have been developed to limit the scope of work to items that will correct sanitary sewage problems. The following guidelines are listed to identify eligible and non-eligible costs:

ELIGIBLE COSTS

- ◆ Installation of overhead sewers.
- ◆ Installation of backflow prevention valve.
- ◆ Installation of a sump pit and sump pump necessary to pump sanitary sewage from below-grade fixtures to an overhead sewer.
- ◆ Cost of trenching and concrete floor replacement associated with eligible work.
- ◆ Permit fees.

NON-ELIGIBLE COSTS

- ◆ Backup or flooding improvements made to commercial, industrial, multiple-family or other income providing property.
- ◆ Property improvements not associated with sanitary sewage backup protection (i.e. foundation cracks, seepage, etc) below grade.
- ◆ Removal and replacement of basement walls and finishes.
- ◆ Use of materials or methods not meeting the requirements of Village specifications.
- ◆ Upgrading of electrical supply to accommodate sump pump.
- ◆ Battery back-up system for sump pump.
- ◆ Alarm Panels
- ◆ Cost of disconnecting downspouts. (May be eligible through Village's Downspout Disconnection Program)
- ◆ Restoration with grass seed or sod or other landscape work.
- ◆ Work performed without necessary building permits.
- ◆ Expenses incurred before approval of program participation.

HOW TO APPLY

To be eligible for reimbursement, several steps are required. Applicants need to carefully review the materials to fully understand the obligations and requirements of the program.

- (1) Homeowner obtains written proposals from licensed plumbing contractors to perform necessary corrective action. Property Owner is encouraged to solicit and provide (3) three proposals to complete the required work. Contractors may have differing opinions (and fees) related to the means of solving your backup problem. The property owner needs to be in a position to make an informed decision as to the Contractor they will select. A signed copy of the contract, signed by the Property Owner, needs to be submitted to the Village. The Village shall not be a party to any contract related to the program.
- (2) Homeowner selects contractor.
- (3) Homeowner submits application form to Village.
- (4) Contractor obtains necessary building/plumbing permits.
- (5) Village approves program participation.

PROPERTY OWNER'S RESPONSIBILITY

Once the plumbing work is completed the following items will be the sole responsibility of the Property Owner:

- (a) Restoration or replacement of shrubbery.
- (b) Correction of settling in the excavated area. Settling of excavated soils is common. The property owner will be responsible for any future filling and reseeding.
- (c) Future maintenance of sump pump, backflow valve, overhead sewer, associated electrical equipment and all other related equipment and improvements intended to prevent sanitary sewage backup.

LIABILITY

The Village shall have no liability for any defective work or other damage, injury or loss because of any act or omission of the Contractor in the performance of the work. The Property Owner is contracting directly with the Contractor for the performance of the work. Property Owner hereby agrees to indemnify and hold the Village harmless against all claims, and further covenants not to sue the Village for all claims.

DISCLAIMER

The Village Sewer Backup Protection Program is designed to allow property owners to help reduce the risk of sewage backups. However, there is always some risk of sewage backup because of unexpected sewer collapse, obstruction, power failure, extreme environmental conditions or other unforeseen factors. The Property Owner has the responsibility for all testing, inspections and any corrective work that may become necessary.

HOW TO OBTAIN REIMBURSEMENT

The program is designed to be a reimbursement program. Thus, the homeowner is responsible for the selection of the contractor, and all obligations to make payment for the work performed.

Following a favorable final inspection and submittal of evidence of payment, the homeowner may seek reimbursement for work performed by submitting the attached form and W-9. Federal Tax Law requires the village to send you a 1099 at year end.

Although the Village does not require the homeowner to select the contractor providing the lowest proposal, Village reimbursement is limited to 50% of the cost of the lowest proposal submitted, subject to a maximum of \$3,000 for backflow devices or \$5,000 for overhead sewers.

QUESTIONS

Any questions regarding the program should be directed to Dean Maggos, Director of Fire & Building at (708) 354-0225.

PROGRAM SPECIFICATIONS

GENERAL

All work performed under this program shall be performed by a licensed plumber and meet all applicable requirements of the currently enacted Building Codes of the Village of La Grange Park, including but not limited to: the Illinois Plumbing Code, National Electric Code and BOCA Codes. Electrical work shall be done by a licensed electrician. Nothing in these guideline specifications shall prevent the property owner and Contractor from including further specifications or more strict specifications for the work, or from including additional work items in their contract.

SUMPS AND SUMP PUMPS FOR OVERHEAD SEWERS

The sump basin shall be a minimum 18" x 30". The ejector pump shall be a minimum 2" submersible pump which is capable of pumping from 25 to 90 gallons per minute at 10 feet total dynamic head. The pump shall have a minimum horsepower of ½. Manufacturers pump specifications and catalog sheets must be provided.

WIRING/ELECTRIC

All work shall conform to the minimum requirements of the current adopted Electrical Code of the Village. All pumps shall be provided with separate dedicated circuits and pumps shall operate on normal 110-volt household electric service. The electrical lead-in to the pump shall be long enough to enable easy removal of the pump from the basin for maintenance purposes.

BACKFLOW PREVENTION VALVE

Backflow prevention valves for the sanitary sewer house lateral shall be the same diameter as the house lateral. Access for maintenance and repair of cast iron check valves shall be provided by installing the unit in a minimum 48" precast vault in the front yard of the residence. No vault is needed for a PVC clean and check system.

LINE LOCATING

The Contractor shall locate all sewer lines to establish existing drainage conditions before starting work. Location shall be accomplished using an appropriate sonic radio or electric field emitting device intended for sewer line locating purposes.

RESTORATION

Program eligible restoration shall be limited to replacement of the Portland cement concrete floor slabs and not finished surfaces such as tile or carpeting. Exterior surfaces eligible for reimbursement are limited to dirt and seed, asphalt drives and Portland cement concrete sidewalks, drives, and patios.

DISCONNECTION OF DOWNSPOUTS

Property Owner must disconnect any downspouts and footing sump pumps from the Village's combined sewer system and must take all corrective action necessary to prevent the discharge of roof drainage and footing sump pump discharge into the Village's combined sewer system, unless an exemption is obtained from the Village in accordance with its ordinance. General Instructions

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II Instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. Sole proprietor or single-member LLC. Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation. Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name," if the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

If the LLC has filed Form 9832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN below*.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN.
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, *Identity Theft Prevention and Victim Assistance*.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-368-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.
