*March 17, 2020*

### ***Daily COVID-19 Briefing***

---

#### ***A Note From Village President Jim Discipio***

Dear Residents,

I know you all have been watching the news about the COVID-19 virus and the additional precautions that are being taken by cities and states across the country and the world. I would like to reassure residents that although these efforts are intensifying and we are all experiencing increased disruptions to our daily lives, these decisions are being made out of an abundance of caution and with the sole purpose of preventing "community spread" of the virus. While the days ahead will continue to be challenging for our community in many ways, I have also personally witnessed how our community has come together to support one another. I would like to offer my sincere appreciation and gratitude to those first responders (police, firefighters, EMT's, telecommunicators, etc.), medical professionals and others who are putting themselves in harms' way to care for our community. I would like to thank the many people who are working as cashiers and stockers at our local grocery stores, gas stations, pharmacies, and hardware stores. They too, are putting themselves at risk in order to ensure that we have access to the goods and services we need most. And finally, thank you to all of you have reached out to support each other, your neighbors and your friends. These are extraordinary times and I am confident that together, we as a community, will get through this.

With Gratitude,  
President James L. Discipio

***General Updates***

Events surrounding the outbreak of COVID-19 have been changing rapidly over the past several days. As such, the Village aims to keep residents informed of what we are doing here in the Village. Please understand that the situation is fluid and policies and procedures may change with little notice.

The Village is constantly reviewing all available information on COVID-19, participates in conference calls as available, and monitors all informational updates provided in press briefings by the state, federal and county governments.

## **RESTAURANTS**

Under Governor Pritzker's executive order, all bars and restaurants in the state are currently closed to dine-in customers. The Village has been in contact with our local restaurants and confirmed that they are offering take-out and or delivery options. We urge those who can patronize our businesses through take-out or delivery to continue to do so.

### **GROCERY STORES**

Grocery and liquor stores are still open and operational. Food is available and grocers have assured us that supplies continue to be delivered to our stores. The La Grange Park Jewel has modified its hours and will be closing at 10:00 p.m. to allow for restocking and cleaning.

Interfaith Community Partners is providing grocery shopping and delivery service for anyone 75 or older in our community - you do not need to be an ICP client. Please click [here](#) for more information.

### **VILLAGE HALL & GENERAL OPERATIONS**

The Village Hall remains open. For the safety of the general public and our employees, we ask residents to avoid coming to Village Hall if at all possible. Please visit our [website](#) or call (708) 354-0225 before visiting.

### **BUILDING INSPECTIONS**

Beginning March 19th, the Village will no longer be conducting interior building inspections unless warranted by an emergency situation or special circumstance. Building permit applications for interior work will still be accepted, reviewed and processed but inspections for work completed will not occur until further notice.

### **PUBLIC EVENTS**

The following Village events have been canceled:

- Adopt-a-Cop Ice Skating Party (March 21)
- April Youth Commission Meeting (April 13)
