GOVERNOR PRITZKER EXTENDS STAY AT HOME ORDER

Governor Pritzker announced today that the [Stay-at-Home Order](#) currently set to expire on April 30 will be extended to May 30. In addition to extending the Order, the following modifications will be made, effective May 1:

- Non-Essential Retail: Retail stores not designated as non-essential businesses and operations may re-open to fulfill telephone and online orders through pick-up outside the store and delivery.
- Face Coverings*: **Beginning on May 1, individuals will be required to wear a face-covering or a mask when in a public place where they can't maintain a six-foot social distance. Face-coverings will be required in public indoor spaces, such as stores. This new requirement applies to all individuals over the age of two who are able to medically tolerate a face-covering or a mask.**
- Essential Businesses and Manufacturers: Essential Businesses and Manufacturers will be required to provide face coverings to all employees who are not able to maintain six-feet of social distancing, as well as follow new requirements that maximize social distancing and prioritize the well-being of employees and customers. This will include occupancy limits for essential businesses and precautions such as staggering shifts and operating only essential lines for manufacturers.
- Schools: Educational institutions may allow and establish procedures for pick-up of necessary supplies or student belongings. Dormitory move-outs must follow public health guidelines, including social distancing.
- Elective Surgeries: Some elective surgeries will be permitted to resume subject to strict requirements and priority treatment of COVID-19 patients.

**The Village is pleased the Governor has implemented a requirement for Illinoisans to wear face coverings when in public. There currently is not a lot of information available about the details of the Governor's order. As more information becomes available, the Village will be reviewing the Governor's requirements for face coverings and comparing them to the requirements the Village recently put in place. The Village's primary goal is to ensure the health and safety of our residents and we will provide residents with additional information regarding the regulations for face*

coverings as soon as it becomes available.

LA GRANGE PARK TV

New programming related to COVID-19 is now available on our local channel (Channel 99 on AT&T U-verse and Channel 6 on Comcast). These helpful videos run regularly throughout the day. Tune in to learn more!

INTERFAITH COMMUNITY PARTNERS

Interfaith Community Partners (ICP) continues to provide well-being checks and grocery shopping for those in need during the COVID-19 crisis. Visit their website at: interfaithcommunitypartners.org or call: (708) 354-9328.

Grocery Delivery for Older Adults

ICP will shop and deliver groceries for anyone age 75 or older in our community who has no other means to safely get food and household supplies. They have a limited number of volunteer drivers, so please only request this service if no other options are available. If you, your family member or neighbor is in need of this service, please call their office.

Well-Being Checks for Older Adults

ICP's trained staff is making well-being calls to check in on their clients and other older adults in the community. They have contacted over 175 individuals to date. They are reaching out to see how folks are doing, offering grocery delivery services and sharing other resources in the community for food and services. If you would like to add someone to our well-being check list, please contact their office.
