LA GRANGE PARK CHAMBER "WE ARE LA GRANGE PARK" VIDEO

There are so many elements that make La Grange Park a great place to live. There are physical elements like our homes, parks, schools, and location. Then there are less tangible and immeasurable elements such as neighborliness, friendship and our sense of community. Another element that binds us is our business community. As we try to support them through this tough time, we want to let them know how happy we are that they chose our town. We are proud of their resiliency, their ability to adapt, and to persevere. On that note, please enjoy this video montage of our area businesses produced by the La Grange Park Chamber of Commerce. We hope you enjoy it as much as we do! ["We Are La Grange Park" Video.](#)

CENSUS 2020 UPDATE

We're back up to #3! 75.4% is impressive, but we can move up to 1st if everyone responds! Since the Census count is used for 10 years, our response rate matters. From 2010 - 2020, La Grange Park lost out on approximately \$3 million dollars in funding from the State due to those who did not respond to the Census. We can't let that happen again.

Currently, La Grange Park ranks 3rd in Proviso Township for self-response to the 2020 Census. Don't let our community lose out on much needed funding! [Respond today.](#)
