President's Corner

Happy New Year! I hope everyone enjoyed a relaxing and peaceful holiday season.

It was a joy to see so many residents along the Santa Parade route last month. Thank you for sharing your holiday cheer and supporting the mobile food drive with donations to Beds Plus, St. Francis Xavier Food Pantry, and St. Barbara's Food Pantry. You make La Grange Park such a wonderful community to call home. I also want to thank the many Village employees who organized the event and continue to go above and beyond to promote community pride and morale, particularly staff from the Fire Department, Police Department, and Public Works.

Village staff and officials returned to work after the holidays refreshed and committed to continuing the delivery of high-quality services and advancing meaningful projects for our community. As I've highlighted in previous newsletters, the Village has carefully managed its resources through the pandemic

and has successfully obtained outside funding for roadway repaving, green infrastructure, and energy efficient lighting, among other projects. We have also engaged our legislators and MWRD to discuss the importance of addressing local flooding and to request support for financing the Central Area Sewer Separation Project. Staff is working on new grant applications to help fund this significant project and moving forward with engineering to get it "shovel ready."

Strategic planning has strengthened our ability to prioritize resources and improve

the overall quality of life for residents. I'm happy to share that we are taking a proactive approach to planning for public improvements and utilizing economic development funds. Last year, the Village released a Request for Proposals to develop a Streetscape Improvement Plan for the Village Market area. This plan will encompass recommendations for signage, landscaping, lighting, and other enhancements aimed at improving the visual appeal and creating a stronger sense of place. The plan will also include strategies for enhancing safety for pedestrians, bicyclists, and motorists, including new sidewalks and traffic-calming measures along La Grange Road. We look forward to involving residents, business owners, and other community stakeholders in this planning process. Make sure to subscribe to the Village's weekly E-Briefs to stay up-to-date on opportunities to provide input and feedback on this exciting project.

In addition to maintaining fiscal responsibility and planning for the future, the Village resumed some in-person events in 2021 to celebrate new businesses, including Level Up Café & Recovery at Plaza 31. This unique, wellness-centered café offers great coffee, smoothies, and local baked goods, as well as leg compression services to help with post-workout recovery. We look forward to more businesses opening their doors in 2022, including Hop District Brewing and Happier Now Café & Market. The Village also expects to see several large-scale development projects move forward this year, including Dubak Electric's new facility on Barnsdale Road, the Plymouth Place East Campus redevelopment, and Andy's Frozen Custard near Memorial Park.

Finally, with the recent surge of COVID-19, I want to remind you that it is crucial to continue taking precautions to keep ourselves, our families, and our Village safe. Please take care to observe public health guidance issued by the CDC, IDPH, and Cook County. Visit vaccines.gov to find COVID-19 vaccines and booster appointments in our area, including the Jewel-Osco at Village Market.

As always, please feel free to contact me at any time.

President James F. Discipio

In Case You Missed It...

Missed the 2021 State of the Village Address? You're in luck! A link to the recording on YouTube is available on the Village's website. We encourage residents to view the presentation to learn about what's happening in La Grange Park, including updates on stormwater management projects, transparency in public safety and police response, and community and economic development activities.

Santa Parade & Mobile Food Drive

Thank you for your generous support and donations during the Santa Parade and Mobile Food Drive! For the second year in a row, food donations filled much of the Fire Department's garage. Donations were distributed to Beds Plus, St. Francis Xavier Food Pantry, and St. Barbara's Food Pantry.

Coffee with the Chief

Tuesday, March 15, 9:00 a.m., Panera Bread

Pandemic pending, the next Coffee with the Chief and Police Department staff will be Tuesday, March 15 at 9:00 a.m. Police Department staff will speak with local residents on current topics at the Panera Bread located at 439 N. La Grange Road.

- Applications must be picked up and returned to the Police Department in person.
- A routine background check will be conducted on all applicants.
- A waiver of liability must be signed by each participant.
- Up to twenty (20) applicants will be accepted on a first come, first available basis.
- There is no cost to participate

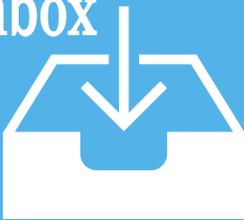

Install Carbon Monoxide Alarms Protect Your Family

Any appliances or equipment that use carbon-based fuels can produce carbon monoxide (CO) when the fuel is burned. Some examples are furnaces, fireplaces, gas water heaters, and generators. If the appliance or equipment malfunctions, is misused, or is not properly vented, this can put you or your family in harm.

A carbon monoxide alarm will let you know if unsafe levels of this poison gas are in your house. Install them near bedrooms and on each level of your home, and push the test button each month to make sure they are working. If you hear the alarm, go outside immediately and then call the fire department. Don't go back inside unless the firefighters say it is safe.

Village Property Tax Summary

The Village strives to deliver exceptional value for every tax dollar by providing excellent police and fire services, keeping streets and public areas well-maintained, protecting the residential and commercial buildings of our community, and doing all of it as efficiently as possible.

The Village's portion of your 2020 total property tax bill (collected in 2021) is about 11% - 13%, depending on your school districts. The majority of your property tax bill, approximately 63%-70% supports the grade schools and high schools. Not including the schools, the La Grange Park Public Library, the Community Park District, and the Village, make up approximately 17%-21% of your total tax bill.

Total Tax Levy

The 2020 total tax rate per \$100 of Equalized Assessed Valuation (EAV), which was payable in 2021, was 8.860 for properties in School District 102 and 11.046 for properties in School District 95. Please refer to the included chart for the tax rate history.

	TOTAL PROPERTY TAX RATES IF YOU LIVE IN SCHOOL DISTRICT 102	TOTAL PROPERTY TAX RATES IF YOU LIVE IN SCHOOL DISTRICT 95
2011 Tax Year	8.160	9.696
2012 Tax Year	9.076	10.714
2013 Tax Year	9.831	11.488
2014 Tax Year	9.814	11.901
2015 Tax Year	10.179	12.328
2016 Tax Year	10.778	12.403
2017 Tax Year	9.202	10.880
2018 Tax Year	9.618	11.858
2019 Tax Year	9.766	12.076
2020 Tax Year	8.860	11.046

How Your Property Tax Bill is Calculated

To determine how much your property tax bill will be, you first need to know the assessed value of your home. In Cook County, residential property is assessed at 10% of its fair market value. The Illinois Department of Revenue calculates an equalization factor to apply to the assessed value of property per county to ensure equitable assessment across individual counties. The equalization factor for Cook County for the 2020 tax year was 3.2234. So, if you own a home valued at \$350,000, then the equalized assessed value will be [350,000 x .10 x 3.2234], or \$112,819. This equalized assessed value is then multiplied by the tax rate for your property's particular location to get the total tax bill. Using the 2020 tax rates as listed above, a property with an equalized assessed value of \$112,819 paid the following estimated amounts in 2021 for the 2020 tax year (prior to any exemptions):

District 102	District 95
$\$112,819 \times .08860 =$	$\$112,819 \times .11046 =$
\$9,996	\$12,462

In both examples, the Village's portion of the tax bill would be approximately \$1,306.

While we will not know the 2021 property tax rates until next summer, the Village Board approved an ordinance in November that authorized the 2021 Village tax levy (collected in 2022). Tax cap laws will limit the Village's 2021 operating levy to a 1.4% increase plus any new property value.

Chamber of Commerce

The Chamber is always looking for engaging ways to promote local commerce and foster a vibrant, energetic business climate in La Grange Park! Neighborhood events are just one way the Chamber supports local businesses and builds a sense of community. A few of the great events hosted by the Chamber in the past year are described below. Follow the Chamber on Facebook to stay informed on current events in 2022!

- **Summer Wellness Event:** Our first annual Wellness Event was a great success, attracting neighbors to visit our many sponsors at Memorial Park - such a fun, family-friendly event focused on good health!
- **Annual Dinner:** We were pleased to honor Hitzeman Funeral Home, recipient of the "Business of the Year" award, at our lovely annual dinner at Mattone Restaurant. Thank you, Hitzeman family, for your many years of continued excellent service in our area!
- **Winter Wonderland Walk-Thru:** Many of our members took part in creatively decorating trees for all to see at this annual event in Memorial Park. It was great to share a night of holiday cheer and see so many families out to enjoy the beautiful lights!

Snow Removal Rules

The Village would like to take this opportunity to remind residents that the Village plows the streets when snowfall is expected to exceed two inches (2"). Salting will be performed during plowing operations on a limited, as needed basis. By following just a few simple rules, residents can make our job and your neighborhood safer.

Rule #1: Remove your vehicles from public streets when the forecast is for two inches of snow or more. Having vehicles in the road makes it harder for our drivers to thoroughly clean the streets and endangers their safety by forcing them to zigzag across slippery roads, increasing the probability of accidents. The Village tickets violators!

Rule #2: If possible, please avoid driving during heavy snowstorms. Our primary purpose is to clear streets for emergency vehicles. The less traffic there is, the faster and more efficiently our drivers can clear the streets.

Rule #3: Do not shovel or blow snow into public streets. This not only defeats the purpose of our plowing, but causes unsafe conditions for all drivers. All shoveled or blown snow should be piled in your yard or parkway. Violators may be ticketed.

Rule #4: Drive cautiously. If you must be out, please use extreme caution. Drive slowly and watch at intersections. Don't follow our plows too closely. Leave plenty of extra room between cars and brake slowly. Use extreme caution in passing the Village's plowing and salting equipment.

Rule #5: Keep sidewalks clear. It is the responsibility of each homeowner/business owner to keep the sidewalk and walkways in front of his/her address shoveled and cleared of ice.

When Seconds Count...

Which would you rather have to protect your home?

After a snowfall, remember to clear a three-foot radius around fire hydrants near your home.

Snow Blowing Reminders

The Village offers the following reminders for managing the snow:

- Do not blow snow into the street. Instead, blow onto your parkway or yard.
- Keep hydrants visible and clear of snow piles.
- Keep the area in front of your mailboxes as clear of snow as possible.
- Keep your sidewalk/walkway clear of snow.

We're Looking for Good Neighbors!

The Good Neighbor Corner is a regular newsletter feature highlighting the good news in our community. In order to praise the efforts of local residents, organizations, and businesses, we need your help! We're looking for those friendly folks, good deeds, and neighborly touches that make living in La Grange Park special. If you know a Good Neighbor, fill out the enclosed form and send it to Village Hall. Help us share the efforts of good neighbors with the entire community.

La Grange Park Little League & Neighbors Helping Neighbors of Stone/Monroe

When my former spouse and the father of my two children passed away suddenly this summer, La Grange Park Little League (LGPLL) and Neighbors Helping Neighbors of Stone/Monroe stepped up to the plate and were there for my family in more ways than imaginable. To the players, coaches, managers, and families involved with LGPLL... my son's Bandits and All Stars team... the people who organized, donated time, money, and raffle gift baskets, and attended the 10th annual Neighbors Helping Neighbors of Stone/Monroe fundraiser event... thank you from the bottom of our hearts. You are genuine, kind, generous, and caring people. Many people who donated to this cause never met me or my children. These people made donations out of the goodness of their hearts. We are so lucky to be part of such a wonderful community. LGPLL and Neighbors Helping Neighbors are genuine, amazing people. We appreciate you all and are forever grateful. There's an African proverb that states, "It takes a village to raise a child." La Grange Park is my village and there really is no place like home. - *Kim Pelletier*

Dawn, Tom, & Jason Sil, Tim & Chris Albores, & Janet Kaski

I've had some health problems over the past year. All of these neighbors pitched in to help by mowing my lawn and taking out the garbage. Then during heavy snow they helped by shoveling my driveway and flat roof. They are always thinking of others and make time to help even though they have busy schedules and their own responsibilities. I'm grateful for their help and concern. - *Carol Einhorn*
